Mobil 1 Classic[™] 5W-30

Mobil Passenger Vehicle Lube, 中国

Advanced Full Synthetic Motor Oil

Product Description

Mobil 1 Classic ™ 5W-30 is an advanced full synthetic motor oil designed to deliver outstanding engine protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep your engine running like new and protection to keep

*Please refer to the recommendations in OEM Manuel for ODI application .

Features and Benefits

Mobil 1 Classic ™ 5W-30 is low viscosity, advanced full synthetic formulation helps to increase engine efficiency and improve fuel economy benefits, while procutstanding performance on stability, anti-wear and cleaness with long lasting power ourput. Allows for maximum oil drain interval up to 20,000 km* and keep Engine Running Like New with proven protection for up to around 120, 000 miles**. Strong performance on LSPI and GPF protection.

- * Always check OEM manuel and consult mechanics for recommended oil drail interval.
- ** Based on MADS testing

Applications

Mobil 1 Classic [™] 5W-30 is recommended by ExxonMobil for all types of modern gasoline-powered vehicles, including high-performance turbocharged, superch multi-valve fuel injected engines found in passenger cars, SUVs, light vans and light trucks.

- Mobil 1 Classic 5W-30 is a high-performance motor oil for all types of cars where this viscosity is recommended.
- Mobil 1 Classic 5W-30 is not recommended for 2-Cycle or aviation engines, unless specifically approved by the manufacturer.
- Mobil 1 Classic 5W-30 is suitable for hybrid as well

Always check your owner's manual for the manufacturer's recommended oil viscosity grade, API service classification and any builder approval.

Specifications and Approvals

This product is recommended for use in applications requiring:
FORD WSS-M2C946-A
FORD WSS-M2C946-B1
FORD WSS-M2C929-A
GM 4718M
GM 6094M

This product meets or exceeds the requirements of:
