Semi-Synthetic High Performance Four-Stroke Motorcycle Engine Oil

Product Description

Mobil Super™ 4T MX 15W-50 is a high performance semi-synthetic four-stroke motorcycle engine oil primarily intended for general use in many types of four-motorcycles and engines. It's unique formulation provides excellent flow characteristics to reduce engine wear during start-up and outstanding protection transmission and the clutch during operation.

Features and Benefits

Mobil Super 4T MX 15W-50 provides good engine cleanliness, good wear protection and corrosion protection. Key features and benefits include:

- Provides anti-wear protection to help promote long engine and transmission life
- Helps keep your engine cleaner
- Formulated with premium base stocks for increased oxidation stability and less volatility.
- Excellent frictional properties for proper performance of the clutch.

Applications

Mobil Super 4T MX 15W-50 oil is a product of an advanced blend of mineral and synthetic bases recommended for 4-stroke motorcycle in which the manufacture specifies the use of SAE 15W-50. Its formulation provides the adequate level of protection for the engine transmission and clutch, particularly in air-cooled engines which tend to operate at higher temperatures.

Meets or exceeds the latest JASO MA performance standard.
