

Mobil Super™ SN 5W-30 K Concept

Mobil Passenger Vehicle Lube , Japan

Synthetic Motor Oil

Product Description

Mobil Super™ SN 5W-30 K-Concept is a synthetic motor oil, which provides excellent high temperature protection even under severe operating conditions. It is designed to help provide long engine life and outstanding protection in vehicles of all ages. The product provides outstanding protection against sludge, engine rust and corrosion under severe and low-temperature operating conditions and provides optimum viscosity and fluidity across a broad range of temperatures. Its low friction synthetic formulation increases engine efficiency and offers greater fuel economy.

Mobil Super SN 5W-30 K-Concept meets or exceeds the requirements of API SN, and is recommended especially for K-Concept light vehicles.

Features and Potential Benefits

- Helps extend engine life
- Outstanding wear protection
- Excellent high temperature protection to help keep engines cool
- Allows easy starting and rapid oil circulation during cold starts to protect critical engine parts
- Excellent fuel economy

Applications

- Mobil Super SN 5W-30 K-Concept is recommended for gasoline fueled K-Concept light vehicles where a 5W-30 viscosity is required.

Always consult your owner's manual to check recommended viscosity grade and specifications for your particular vehicle.

Specifications and Approvals

This product meets or exceeds the requirements of:

API SN

This product is recommended for use in applications requiring:

API CF

Typical Properties

Mobil Super SN 5W-30 K-Concept	Typicals
Density @15°C, kg/l	0.850
Viscosity @ 100°C, cSt	10.3
CCS @-30°C, cP	4000
MRV @-35°C, cP	20000
Viscosity Index	160

Mobil Super SN 5W-30 K-Concept	Typicals
Pour Point, °C	-33
Flash Point, °C, ASTM D 92	210
